

District Foyer Gallery / District Library Gallery

The Art in the Community Programme, run by the North Vancouver Community Arts Council has a mandate to celebrate and enable emerging artists through a professional exhibition in a public space, which serves both to promote artists and to increase public awareness of art.

This programme currently has two exhibition locations; 2D display at the District Library Gallery at Lynn Valley Main Library and 2D and 3D display at the District Foyer Gallery at the North Vancouver District Hall. The artist call is for both venues and the qualifying artists will be allocated to a venue by the curatorial staff at the NVCAC. Artists will not be booked for more than one show per year in either venue.

Programme requirements:

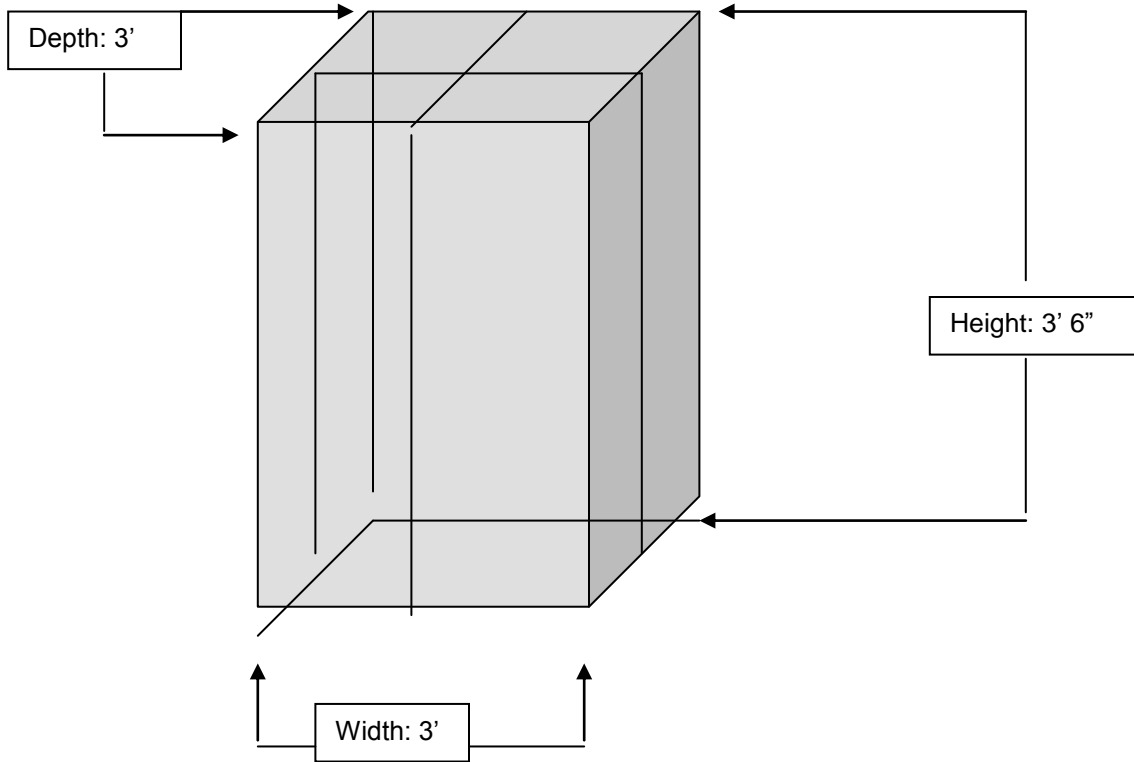

- Becoming a member of the North Vancouver Community Arts Council
- The artists collaborate on hosting an opening reception by providing food or snacks (the NVCAC/Library provides non-alcoholic punch and coffee)
- If your pieces are for sale, the NVCAC handles the arrangements and payment and takes a 30% administration fee.

Exhibition Submissions must include the following items:

1. An artist's statement and biography
2. List of works including title, medium, size, and price. If the work is not for sale, a value is still necessary.
3. 15 – 20 photographs (printed or on disk) of completed artworks that you are proposing and are available for the exhibition. Photos must be numbered or titled to match the corresponding list of works. Artwork cannot have been displayed on the North Shore within a 6 month period. (Submissions via email and websites are not acceptable at this time.)
4. The proposed artwork must be representative of a collection of artwork cohesive in theme, colour and/or subject matter. If work is framed please include picture of frame. All frames should be similar in appearance. Unframed canvases are acceptable however all four sides must be finished.
5. Artwork must be framed properly and wired using two eyehooks, D-rings, eyelets or their equivalent, on the back of the frame. The paintings are hung with a track system that uses construction string to be threaded through the eyelet hole. Important — In order for the artwork to hang properly on the wall please make sure eyelets are installed approximately ¼ inch from the top of the piece or the work will lean forward from the wall.

Three Dimensional (applies to the District Foyer Gallery only)

Artwork must be able to fit inside a 3'x3'x3'6" glass display case.
Case doors have a clearance of 1.5'

Please send submissions to:
